QPIX Ltd is Queensland's development centre for the screen and media industries, dedicated to the development of independent screen production and independent screen production professionals in the State, and to brokering and facilitating production-based partnerships between the independent sector and the State, National and International screen industries. QPIX's goal is to assist in building an innovative, sustainable and globally competitive Australian screen industry. QPIX is a founding member of the national industry network Screen Development Australia (SDA).

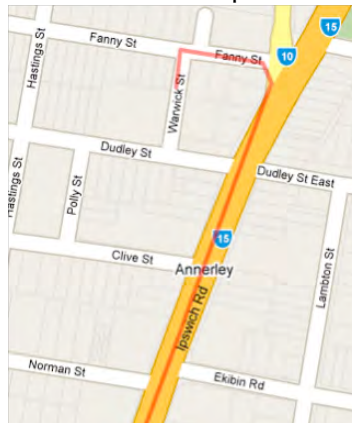

QPIX keeps its hire rates as low as possible in order to help early-career makers of screen content produce their work on limited budgets. We also provide a wide range of other services, including our renowned advisory service, to help make production happen and careers advance.

QPIX also provides an ongoing suite of Production Kit Packages to suit specific projects.  
Good Luck in your production!
